The Nomination form:

Please fill out the nomination form as completely as you can, listing the highlights of your hitter's academic, hitting and personal integrity credentials. The Bobby Bragan Collegiate Slugger Award is designed to recognize the Division I Hitter in the Country who most epitomizes the Foundation's focus on a well-rounded scholar/athlete and community leader.

Please have your coach provide a comment to support the player's nomination for the award. This is important as it gives us insight how the program's leadership views the contributions of the player's both on and off the field.

We ask for the player's home and parental information so that we can send them recognition of their player's inclusion on the Bobby Bragan Collegiate Slugger Award watch list, also to keep them in the loop if their player moves forward in the selection process.

Please note that the winner of the award and their school will receive a trophy in recognition of their achievement and a **\$2,500 donation will be made to the winners' school's General Scholarship Fund in the name of the player.**
